Quantum Relationship Skills: 5 Tools for Lasting Love

NEW!

Are you stuck in your relationship? Do you keep ending up in the same place: lonely, empty, lost or abused? Looking for "the right one" may not be the best approach. If you want successful relationships, you must be trained to relate! Instead of always looking for someone else, you can learn to create more fulfillment in your current relationships.

Greg Mooers has worked with thousands of people one-on-one, teaching them to trust their hearts and train their brains with the skills that make relationships work. During this essential new seminar, you will be introduced to some powerful, simple Quantum Physics principles from Einstein's "Theory of Relativity," that apply directly to human relationships. You'll learn how to:

- STOP Abuse
- Acknowledge your boundaries
- Get what you want
- Listen without taking things personally
- Deal with negative emotions in a brand new way.

Greg Mooers has a background in Quantum Physics and was a monk for eight years. He is the author of Learn Our Heart Virtue—to Be Who We Are, the Founder of LiftCamp.com, and the creator of three new programs: Heart Virtues™, AuthenTalk™ & CourAction™.

What the <Bleep> is My Purpose? *Using Quantum Physics and Spirituality to Discover Your Personal Power and Life's Purpose*

Greg Mooers calls quantum physics "the science of experiences" — something you do NOT need a Ph.D. to decipher! Instead, you can learn to use quantum physics to identify your life purpose and gain insight into your own existence, as well as the nature of the universe.

During this mind-bending evening, Greg will use cutting-edge tools and exercises to teach you:

- Why perception is reality
- How to "bend" time
- A new way to look at the past, the future, money and fame
- About "evolity"
- To awaken and embrace your own spiritual gifts
- To turn your greatest weakness into your greatest strength
- A new approach to relationships that will blow your mind!
